

BEFORE YOU START

You will need to have:

- read the [Supply Chain Support Grant - Aquaculture Fact Sheet/ Guidelines and FAQs](#)
- your business name and ABN ready
- your RAA BP number (if you are already a RAA customer)
- evidence of production within the last three years
- your aquaculture permit number
- evidence of damage and impact from the fires ready, for if asked (in the form of photos, quotes, tax invoices or receipts for repair, recovery or replacement works undertaken.
- costings for activities you wish to use the grant funding for
- evidence of your co-contribution (in the form of loan funds you may have available, either from the RAA or other financial providers; cash you will contribute, expenses you have already incurred that you can demonstrate through invoices; labour that your business has committed to repair and recovery activities that you can cost by way of hours and rate/ hour)
- your bank details for payment

NOTE: this is an example application form. The applicant may be required to include additional information, depending on the selections they make.

Last Name *

Date of Birth *

DD/MM/YYYY

Primary Phone *

Landline: +61298721111 / Mobile: +61417000000

Mobile

Mobile: +61417000000

Email Address *

Did you want to add an additional contact person? *

- Yes No

Property Address

Property location for which this application is submitted.

Street *

City *

State *

Country *

Postcode / Local Government Area *

as per rates notice

Is the Property Address your Postal Address? *

- Yes No

Basic contact details and property address

SECTION 2 – BUSINESS SITUATION

[Home](#) [About You](#) > [Business Situation](#) > [Payment Details](#) > [Supporting Documents](#) > [Declaration](#)

On this page you will be required to enter the amount you expect to claim as part of the grant as well as the details of the Co-contribution that you will make.

Note that the expected claim amount must at least equal the Co-contribution amount.

Details of assistance to be established

Please outline the main activities you expect to spend your grant on as well as the expected dollar amount.

For what purpose will you be using the funds? *

- Shellfish Land-Based Aquaculture

For what activities do you plan to use these funds? *

- Replacing Lost Shellfish
 Repair & Purchase Shellfish Equipment

How much do you want to claim and what will you spend it on?

For an application to be eligible, works do not have to be completed. The application can be assessed on quotes or estimates, however, please ensure you keep copies or evidence for future program evaluation, audits or enquiries by the RAA. Once we receive an eligible application, we will make a payment to your nominated bank account in this form.

Contribution

Please fill in the details of the co-contribution you will be making.

Note that the total contribution amount must at least match the amount you are claiming.

Expected Co-Contribution Amount

This is the amount you are expected to contribute. This field is calculated automatically.

Please outline how you will be making your co-contribution? *

- Direct Cash
 In-Kind made up of Labour/Equipment
 In-Kind made up of Invoices already paid

What is your co-contribution and how will it be made up?

Note: the amount entered for 'Total expected claim amount' above will prefill to this section to say that is how much you will be co-contributing.

Applicant just needs to spell out how that co-contribution will be made up (i.e . Cash? Labour ? Invoices? Etc

Business Situation

As part of the program evaluation being done to understand the benefits of this grant, can you please tell us a bit about your business. This information can only be used for the purpose of this program evaluation and will be kept secure.
