About us

OUR MISSION

Eazy Azz Pty Ltd is an Australian owned family business specialising in manufacturing potentially the Worlds 1st all in one packing , cooking and serving recyclable aluminium oyster tray.

We believe in only supplying quality product with integrity and trust. We aim to provide the highest customer service in the industry with a personalized approach. We want to be Eazy to deal with, excelling in expectations of our customers.

EAZY AZZ PTY LTD

True versatility

OUR PRODUCT

The Eazy Azz Oyster Tray was invented to overcome the difficulty of cooking and serving oysters. We've shared our idea with fish mongers and retail outlets/supermarkets throughout Australia. This aluminium tray was specifically designed for the Australian oyster. The unique design of the individual sections in the tray limits the oyster from tipping over. The natural juice is retained in the oyster until consumed fresh or cooked.

Innovatively Unique

OUR PRODUCT + LEGAL

The Eazy Azz Oyster Tray avoids double handling in the kitchen, making it time efficient and convenient for oysters lovers everywhere.

They can be used in most social situations including BBQ's, camping, events and any kitchen. After use, wash and place in the recycle bin.

Our tray is so unique, it holds an Australian registered design RD 201610862 and complete patent has been lodged with Australian IP.

Total convenience

PACKAGING + PRICING

The Eazy Azz Oyster Tray is packaged in 6 trays per retail pack and 40 retail packs per carton.

For wholesalers, they are packaged with 500 trays per carton.

The cost is simple:

*\$5.30 + gst per 6 pack**

\$212 + gst per carton (40 x 6 packs per carton)*

\$325 + gst per carton (500 trays per carton)*

** Cost price is less freight. Perth metro orders receive free delivery.*

National distribution

EXISTING CUSTOMERS

INDEPENDENT

Our trays have been widely picked up by IGA and Foodland stores across WA & SA. We expect this distribution to now expand into other states.

A local WA favourite, Fisho Singleton has been stocking our trays and trusts us to deliver a product that saves a lot of mess when packing or cooking oysters.

This seafood restaurant in Port Lincoln serves their oyster dishes in our tray. They also have a retail and wholesale business, where our trays are used for their fresh oysters.

Oysterfest in Ceduna, SA is celebrated every September long weekend for over 25 years. We proudly supply oyster trays to the festival and support retail sales at a stall over the weekend.

Eazy Azz Oyster Trays are being stocked nationally in quality restaurants, retail and wholesale distributors and markets. Our customer service is something we hang our hat on, so you can expect orders on time with excellent product quality standards.

How Eazy Azz gets...

FROM US, TO YOU

01

ORDER
PLACED

We can take your order via phone, email or online. It will be entered onto our system within the next 24 hours ready to be picked and packed.

You will receive an order confirmation once the order is placed and checked against current stock levels.

02

PICK +
PACK

Your order is picked and packed at our national warehouse in Perth, WA. We endeavour to process our orders within 24 hours to ensure prompt delivery to the customer. Order cutoff for next day pick / pack is 12:00pm Perth time.

03

SHIPPED
TO YOU

All customers within Perth metro will have orders delivered direct to the their door. Orders from customers outside Perth metro will be processed through your nominated freight company's depot. All orders will be delivered within 7 days of being placed.

04

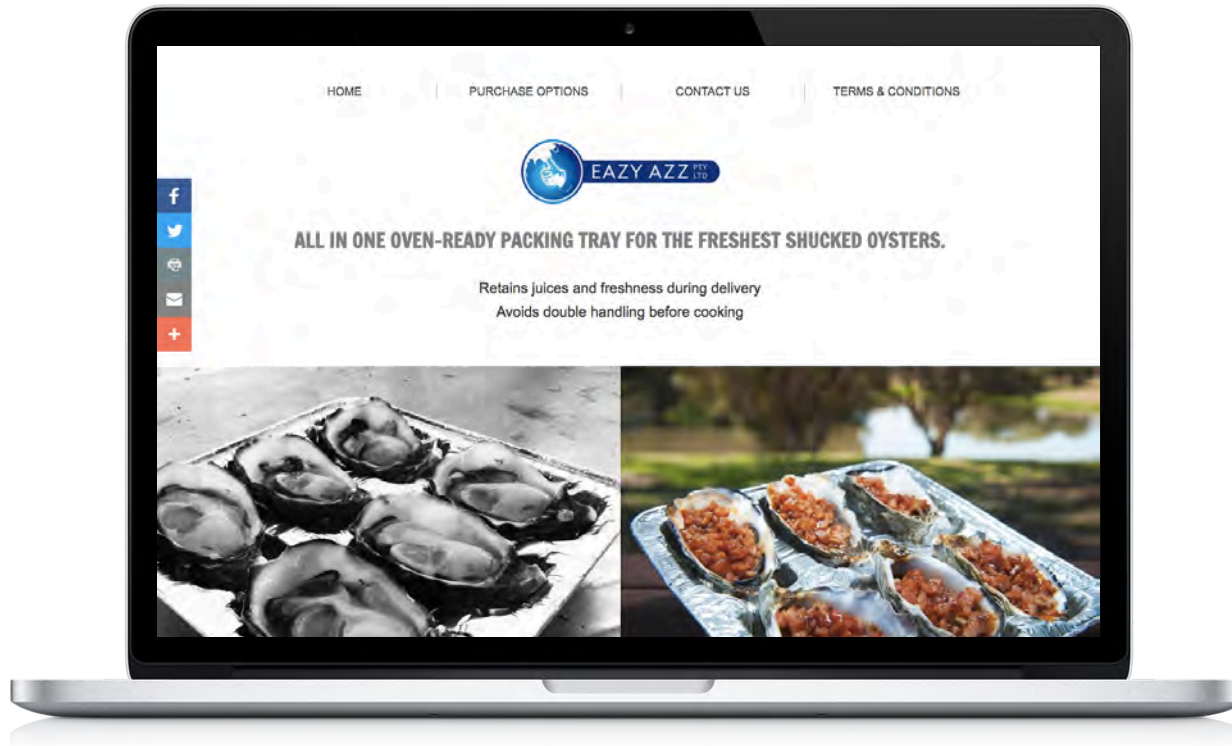

CUSTOMER
SATISFACTION

Whether you're selling retail packs or packing & cooking oysters for retail, the Eazy Azz oyster tray will help you to maximise satisfaction with your customers. Making oysters Eazy to eat so your customers will spend more. We're also proud that they're 100% recyclable.
