Spat available	<p>East 33 has been continuing to do runs of QXR SRO in the Camden Haven hatchery but as there has been strong demand for our product we may have difficulty in supplying spat before quite late in the current year for any new orders.</p> <p>Please place your order as soon as possible to ensure delivery as close to your preferred supply time as possible</p>	<p>Looking at doing a run of Richmond River oysters. Spawning in next couple of months. Get in touch if you are interested to make an order.</p>	<p>We hope to be receiving both triploid pacific oysters and Sydney Rock oysters in the coming months. Please get in touch with your requirements as numbers are limited.</p>	<p>SeaPerfect has new season ASI diploid Pacific Oysters available.</p>	<p>Cameron's have Diploid Pacific's available now.</p> <p>If you would like to receive stock this Calendar year, please contact us ASAP to discuss as we are finalising our schedule now. Orders are open for a May/June 24 Triploid shipment. Please contact us now to place your order and avoid disappointment as stock is limited and selling fast.</p> <p>As always, please call anytime to discuss your requirements and we will do our best to make it happen!</p>	<p>Tas Oyster Co has both ASI Diploids and Tetraploid Bred Triploids available. Give John a call to discuss options.</p>	<p>Will be anticipating QxR NSW DPI + Wild Sydney Rock Oyster broodstock arrival for spawnings over the next couple of months</p> <p>Earliest spat availability from early December onwards.</p>

**Disclaimer:** To order spat, please contact the hatcheries and nurseries above. Spat availability can change quickly and unexpectedly. Whilst considerable effort has been made to provide accurate information, by the time of publishing, the situation may have changed. Biosecurity protocols pertinent to interstate movement of spat are in place.
