Spat available	No update received.	No update received.	QxR spat available. Triploid Pacifics are all sold. Planning to get some diploid Pacifics in so inquire if you would like to put an order in. (Shipping outside of Port Stephens is limited by the biosecurity control order)	Will begin conditioning in early June. Expect first run available in early October. There will be family lines and some wild spat. Looking at 4-5 runs between now and March 2023. Order books are currently full.	We hope to receive Sydney Rock and triploid Pacific oysters in spring/summer. Looking at bringing POMS resistant diploid Pacific oysters into Port Stephens. If you are interested in hatchery reared oyster spat please get in touch so we can gauge industry demand and help improve the supply chain.	We are receiving Triploid Pacific and QXR Sydney Rock seed in spring/summer. Seed is ordered on demand, so pre-orders are essential to ensure supply.

Disclaimer: To order spat, please contact the hatcheries and nurseries above. Spat availability can change quickly and unexpectedly. Whilst considerable effort has been made to provide accurate information, by the time of publishing, the situation may have changed. Biosecurity protocols pertinent to interstate movement of spat are in place.
